

Activating the DSST Exam Series

Support Non-Traditional Learners by Accepting Credit and Delivering Exams

There is no cost to accept credits, deliver exams or become a fully funded test center.

Contact us today to support the DSST exam program at your institution.

Accept DSST Credits.
Deliver Exams.
Become a Fully Funded Test Center.

Apply today by emailing dsstcenter@prometric.com or filling out the application online at www.getcollegecredit.com/testcenters/apply

For more information on becoming a DSST Test Center, please visit www.getcollegecredit.com/testcenter.

The American Council on Education's College Credit Recommendation Service (ACE CREDIT®) has evaluated and recommended college credit for specific exams created and proctored through Prometric. ACE CREDIT helps adults gain academic credit for courses and examinations taken outside traditional degree programs. For more information, visit the ACE CREDIT website at www.acenet.edu/credit.

As an educational institution, you have a unique opportunity to help the community, support military students and earn additional revenue for your school. It's called the DSST program and we'd like you to join the more than 1,900 institutions worldwide that serve their student communities through the delivery and acceptance of DSST exams.

Everyone Benefits

Convenience

Students, both civilian and military test takers, benefit from convenient locations and wider acceptance of earned credits.

Showcase Your School to New Students

DSST exams bring new test takers to your campus, allowing them to see your facilities and staff first-hand.

Support Military Students through DANTES-Funded Exams

DANTES helps eligible military members pursue their educational goals by funding DSST exams (first attempts only). By providing DSST exams to eligible military students, you demonstrate support for the military and reach a whole new source of students.

Generate Additional Revenue for Your School

When you deliver DSST exams, you provide a new stream of revenue for your institution's test center.

Accept DSST Credits

By accepting DSST credits, you will be helping a wide range of students, including many who might not be able to pursue education otherwise. DSST exams allow candidates to capitalize on existing knowledge – providing an alternative, cost-effective, and oftentimes accelerated, pathway to complete a degree, prepare for a new career, land a promotion or simply attain new skills.

Please visit www.getcollegecredit.com/institutions to access credit awarding information.

We support the DSST exam program with our industry-leading test development and delivery expertise, ensuring the highest quality levels for all of our partnering institutions. We do that by:

- Posting technical data sheets to display cut score criteria and B-Grade equivalencies
- Providing documentation of scoring methodologies
- Sharing detailed descriptions of our test development process
- Linking directly to the American Council on Education's (ACE's) national guide
- Ensuring discretion and flexibility that allows our partnering institutions to provide only the exams they wish to support – there is no required minimum number of exams applied to stay enrolled

Become a DSST Test Center

To become a DSST Testing Center, you will be asked to take several simple steps:

1. Meet Test Center Requirements

The first step is to verify that your site meets our minimum technical, facility and staffing requirements. To administer DSST exams, you must be accredited by a recognized national, regional or a specialized accrediting agency.

Please visit www.getcollegecredit.com/testcenters for complete system requirements.

2. File an Application

Submit an online application for review.

3. Earn Approval and Finalize the Contract

Once your application is approved, a representative will deliver a contract and work with you to review it and complete any necessary documentation – formalizing your new status as a DSST Test Center.

4. Prepare Your Test Center

Once the contract has been finalized, the DSST Site Readiness Team will work with your staff to complete the necessary installation steps, and ensure your personnel are certified to administer DSST exams.

Support Military Students by Becoming a Fully Funded Test Center

As a Fully Funded DSST Test Center, you will play an important role in helping eligible military members and spouses pursue their educational goals.

Eligible first-attempt military test takers can take advantage of DSST at fully funded institutions 100% free. Fully Funded Test Centers waive all student fees associated with taking the exam, such as proctor, sitting and administrative.

DANTES, the Department of Defense agency that helps Service members pursue their educational goals and earn degrees or certifications both during and after their service, reimburses test centers \$25 for each eligible tester through monthly electronic payments.

Applying to become a Fully Funded Test Center is easy. Please complete the form at www.getcollegecredit.com/fully_funded or email us at dsstcenter@prometric.com.

Apply today by emailing dsstcenter@prometric.com or filling out the application online at www.getcollegecredit.com/testcenters/apply
