## Starting March 13th Get a Second Chance to Earn Credit

**Between March 13 and April 30, 2017, military servicemember students who have not passed their first attempt at an exam will be eligible for one FREE retake.**

It's an exceptional opportunity to move forward with your education, one that's made better because we are also reducing the standard retake wait period from 90 to 30 days. This promotion does not apply to the Principles of Public Speaking exam.

**All you have to do**

Check the [DANTES funding](#) guide to verify eligibility. If you do not pass your first attempt at an exam you will receive a voucher code via email within a few days. At the time of retest, provide the voucher code.

Voucher codes must be **redeemed by June 30, 2017**. Once you've made the decision to retake the exam, we encourage you to take the next step by **reviewing [exam content outlines](#) and Peterson's FREE test preparation materials.**
