REFERENCES

Below is a list of reference publications that were either used as a reference to create the exam, or were used as textbooks in college courses of the same or similar title at the time the test was developed. You may reference either the current edition of these titles or textbooks currently used at a local college or university for the same class title. It is recommended that you reference more than one textbook on the topics outlined in this fact sheet.

You should begin by checking textbook content against the content outline provided before selecting textbooks that cover the test content from which to study.

Sources for study material are suggested but not limited to the following:

1. Berk, L.E. (2019). *Exploring Child and Adolescent Development*. Pearson Education, Inc., 1st Ed.
2. Berk, L.E. (2019). *Exploring Child Development*. Pearson Education, Inc., 1st Ed.
3. Feldman, R.S. (2019). *Essentials of Understanding Psychology*. McGraw-Hill Higher Education, 13th Ed.
4. Gray, Peter O; Bjorklund, David F. (2018). *Psychology*. Worth Publishers, 8th Ed.
5. Newman, Barbara M. and Newman, Philip R. (2018). *Development Through Life: A Psychosocial Approach*. Cengage Learning, 13th Ed.
